

# Honoring Our Veterans

We Remember  
Adiya Lerner

Every year  
in the month of November  
We're honoring our veterans  
to show we remember.

To tell them their service  
is ever so meaningful  
Protecting the one and only  
America the beautiful

To thank them for keeping us  
safe from harm  
For kindly saluting their commitment  
To bear arms.

To show them we appreciate  
their sacrifice and loyalty  
For being brave and selfless  
while fighting for our liberty.

To honor their dedication,  
for our protection  
To say THANK YOU with our  
hearts full of appreciation.
