

# Honoring Our Veterans

## Stripes and Stars

Mackenzie Makovsky

The courageous boots  
fought for our freedom, our country, and lives  
They sacrificed for us  
To make sure we thrive.

They gave up so much  
With their bravery and selfless acts  
They were so very loyal  
And always had our backs.

We are so thankful for their service  
And honored for everything they do  
We will continue to honor their legacy for  
Everything they've been through.

The Flag waves constantly  
And flaunts its stripes and stars  
It shows how brave the soldiers were for us  
And now the country is ours.
