

Honoring Our Veterans

By: Ronen Wolfe

**We honor our soldiers
on Veteran's Day
They fought so bravely
Back in their day.**

**They were ever so brave
earning medals that shine
To protect this country
That is yours and mine.**

**Because of their selflessness
And incredible care
We are safe right now
On land, sea and air.**

**They were the ones
Who let our flag fly free
To keep us safe
And let me be me.**
