

## **Bold Are They**

By Talia Steinberg

The flag sways,  
Majestic and bright  
Bold are they  
Who fight day and night

Gray skies, loud noise  
A never ending sight  
Bold are they  
Who fight day and night

Looking at the flag  
Holding our hearts tight  
Bold are they  
Who fight day and night

Selfless you are  
Defending our rights  
Bold are they  
Who fight day and night

Winning the battle  
Happy and bright  
Bold are they  
Who fight day and night

Freedom is ours  
We thank you with all our might  
Bold were they  
Who fought day and night
