

Honoring Our Veterans

Freedom

Yisroel Dovid

For our freedom we are grateful

Selflessly won for us

Your sacrifice was important

Our freedom is glorious.

Those lionhearted badges

Marched confidently ahead

Unyielding and courageous

Even with tears shed.

For your everlasting legacy

We will forever honor

You heroically persevered for us

When bravery was hard to conjure.

Without you we'd be helpless

With you we are strong

You valiantly protect us

To you our lives belong.

Overhead an eagle soars
Injecting hope and pride
An eagle is free and so are we
Because you are on our side.

From Army to Space Force
We respect all
What more could we ask of you
When you stand tall?

We love the land we live in
You boldly defend it for us
You have saved us numerous times
In you we wholeheartedly trust.
