

Honoring Our Veterans

Those Loyal Boots
Zoey

*My freedom is thanks
to those loyal boots.*

*The ones who trudged selflessly
as the bald eagle kept watch.*

*The ones with the honorable hearts
that pounded boldly in their chest.*

*50 stars in an ocean of blue
with red and white billowing freely.
The steadfast badge stood courageously strong
through the hardest times.*

*The brave eyes valiantly saw
more than their share.
Our safety is all thanks to that noble uniform...
And those loyal boots.*
