Honoring Our Veterans

Thank You to Our Veterans

Hailey Tepper

Scared, but strong
Marching up to battle
For so long
They're selfless
Fighting for us
Enemies are helpless
Hat on head
Not scared anymore
White, blue, red
Flag sways
In the breeze
For many long days
We win
Because of them
On their faces, a grin
Victorious
Crowds screaming with joy
Freedom is glorious
Standing proudly
Smiling
People cheering loudly
All together
Frowns gone
Seems as though this will go on forever
Everyone wants it too
So I just want to say
Thank you!
